The Florida 500 Club is currently accepting nominations for the Florida 500 Club Hall of Fame award to be presented at the Clubs Annual Meeting in October.

This prestigious award is based on meritorious service while a member of the Florida 500 Club for a minimum of ten (10) years.

Everyone knows that special someone who goes the extra mile. Someone, who sets an example of willingness to work hard for their club, encourages new members to join and become active in their local, state and national organizations. Participates in local and state tournaments and provides the extra set of hands when needed at club functions and tournaments. Most important, promotes the fun and good will in the sport of bowling. What better person to be recognized as our next Hall of Fame recipient.

I encourage you to take a moment, locate the person or persons who meet the qualifications, talk it up to your leagues; you will be amazed at the results.

Enclosed are the guidelines and application which needs that "SOMEONE'S" name. The deadline for accepting nominations is July 1, 2011.
