To All Local 500 Club Presidents:

The Florida 500 Club is currently accepting nominations for our Hall of Fame award to be presented at the State meeting in October.

This prestigious award is based on meritorious service while a member of the Florida 500 Club for a minimum of 10 years.

Everyone knows that special someone who goes the extra mile. Someone who sets an example of willingness to work hard for their club. Encourages new members to join and become active in their local, state and national organizations. Participates in local and state tournaments. Someone who provides that extra set of hands when needed at club functions & tournaments. Most importantly, promotes the fun and good will in the sport of bowling. What better person to be recognized as our \_\_\_\_\_ Hall of Fame recipient.

I encourage you to take a moment, locate that person or persons who meets the qualifications. Talk it up to your leagues; you will be amazed at the results.

Enclosed are the guidelines and application that needs that "SOMEONE'S" name. The deadline for accepting nominations is July 1, 2010.
